California "Cult" Wines

California "Cult Wines" can only be described as the creme de la creme of wines. Typically, these wines have very small production combined with a great level of demand. Obtained through our many contacts in the Napa Valley and diligent pursuit of allocations. Powerful, yet elegant, the Cabernets on this page may be rare but you can enjoy the luxury of drinking them tonight!

Featured Italian Winemaker

Angelo Gaja

We are pleased to offer this selection of wines from Italy's most renowned producer of high quality, estate-bottled wines from Piedmont. Angelo Gaja has transcended traditional, rustic Italian winemaking by making modern wines while preserving their unique Italian character. Gaja's Barbarescos are consistently among the top rated wines in the world, particularly the single vineyard Sori San Lorenzo, Costa Russi and Sori Tilden wines. We hope you will take advantage of enjoying any of these wonderful wines as a perfect compliment to Villa Nova's cuisine. "...these wines are works of art."-Robert Parker, The Wine Advocate
