

VILLA NOVA WINE LIST

Our Wine List is made up of two parts; the first part is our Main List of current releases and the second is our Cellar Selections.

The Main List

As with our menu, the wine list offers an extensive selection for your enjoyment. Your server will be glad to help you pair just the right wine with your meal. We also offer a selection of wines by the glass and half bottles of wine if you prefer to try different wines with each course.

Cellar Selections

These selections are unique and not readily available. We have accumulated these wines over many years through allocations, fine wine auctions and purchases from collectors. Any of these wines will make for a truly special evening.

If we can be of assistance to you please don't hesitate to ask your server or myself.
